

EFGP12680X Cooker Hood

High performance with a striking design

Its stainless-steel body and mirrored glass surface give the Electrolux Ceiling Hood a striking look – one matched by high performance and elegant features.

Turn your hood on and off without even reaching

The Electrolux ceiling hood comes with an easy-to-use remote control system, so you can turn it on and off without even stretching.

It's easy to keep your hood working as good as new

Hood filters can get clogged with grease, reducing their effectiveness. The hood's washable filters help you keep your kitchen airy and fresh.
